

Small Business Edition Overview

Contemporary communication delivered by GraphicMail

GraphicMail Small Business Edition is the core of the GraphicMail package, especially designed to cater for small and medium sized businesses. Access an easy to use email and mobile marketing platform with powerful features that can be optionally used to further enhance your marketing campaigns.

The GraphicMail Small Business Edition includes:

- Fast and simple campaign creations with our template library, online drag-and-drop editor and easy image upload
- Build and manage your lists with our automated list management tool, viral forwarding, multiple data sets and secure online storage
- Refine your campaigns with our sophisticated reporting
- Create your own image library
- Maximize your deliverability with the help of our ISP relationships
- Get dedicated support via live chat, video tutorials, online help, FAQs, phone and email
